

Opportunities & Challenges of Circular Economy Transition in the Textile and Apparel Sector

Date: 10 September 2019

Time: 1000 hours to 1330 hours

Venue: National Institute of Design, Ahmedabad Campus

About the event:

The Centre for Responsible Business (CRB), in association with Fibre Labs and National Institute for Design (NID), Ahmedabad is organizing a half-day workshop on circular economy to explore opportunities and challenges for Gujarat – a key textile manufacturing hub. Speakers from the academia, business, government, as well as think tanks will discuss ideas and present case studies. Entrepreneurs and innovators from Gujarat and outside will present successful business models based on the ideas of a circular economy.

Objectives of the event:

- Spread awareness among key stakeholders in the textile and apparel sector on circular economy opportunities/ business case/business value
- Elicit ideas on private sector participation in implementing circular economy in Gujarat clusters
- Discuss barriers and policy support needed to overcome barriers or facilitate more circular practices in the textiles and apparel sector
- Understand the perspective of textile/apparel brands on sustainability issues, and how they can affect changes in their value chains to adapt to global challenges

Textile sector entities in Ahmedabad, Surat & Vadodara are requested to **RSVP to** ramanuj@c4rb.in
